**New OLLI Website and Registration System Coming this Fall!**

(We need your help!)

On Monday, July 1, OLLI will begin working with CampusCE to develop a new website for OLLI at Illinois and set up a new registration system. Finally!!! The transition from our current website and system to the new one will take between 90 and 120 days. As we are building our new website, we’d appreciate input from members about what items/sections on the home page and subsequent pages will make it easy for you to find out what is going on at OLLI and how you can participate. If you are interested in volunteering to serve on this ad hoc committee, please email Kathryn (kfw@illinois.edu or olli@illinois.edu) by next Friday, July 5. Thanks to those of you who have already suggested improvements to our registration system. We’ll do what we can to incorporate your ideas into our new program. If others of you have suggestions (but don’t want to serve on the committee), please email your thoughts to Kathryn. We’re keeping a list!! Thanks for your help.

Honoring Janet

Over the eighteen-year history of the Osher Lifelong Learning Institute at the University of Illinois at Urbana-Champaign, there has been one ongoing anchor: Janet Summers. Through three directors, three locations, and multiple office managers, Janet has remained the sole constant. Known for her collaborative, helpful style and her warm sense of humor, Janet has interacted with hundreds of current and past members, instructors, and campus and community contacts.

To honor her career and major contributions to OLLI, and in conjunction with her retirement on May 31, 2024, an initiative is being launched to raise funds in Janet’s honor. Throughout her time at OLLI, Janet assisted in the development and implementation of hundreds of courses, lectures, study groups, travel programs, and social activities. She made herself available to numerous Board/Advisory Council meetings and participated in multiple committee meetings, and her uncompromising and reliable help in every conceivable way possible has endeared her to countless members. Her wide-ranging talents will be deeply missed at OLLI.

Please consider honoring Janet’s years of service by making a tax-deductible donation. OLLI will notify Janet of each gift given in her honor. Thank you!
