

MESSAGE TO STUDENTS REGISTERED FOR FILMS OF 1999 COURSE FROM INSTRUCTOR CHUCK KOPLINSKI

Hello All –

Well, what we suspected would happen has come to pass. I guess the best thing to do is batten down the hatches, stay inside and take care of ourselves.

That being said, it's a perfect time to catch up on home viewing by either streaming films or going to the library to track some movies down. Keeping with our themes, I have listed some recommendations below.

Thank you all for putting up with me. Hope to see you all in the fall.

Chuck
