What if the course I want is full?
OLLI courses often generate a great deal of enthusiasm. If you encounter a course that has filled, we strongly encourage you to add your name to the waitlist for that course. If a space becomes available before or shortly after the semester begins, you will be notified by email, and if you still wish to take the course, your registration and payment will be finalized at that time. If you do not receive notification from OLLI, then you are not registered for the course. Open spaces in a course will be filled according to the order in which people added themselves to the waitlist. Waitlist information is also used to gauge interest in a course and we will endeavor to re-offer a very popular course in a future semester.

What if I want to pay by check, in cash, or in-person by credit card?
You can still register online to register for courses or events and pay online using your credit card – OR, you can select the “Pay Later” option and pay in the office with cash, check, or credit card. IF YOU HAVE ANY QUESTIONS ABOUT YOUR BALANCE, please check “Pay Later” and then complete your registration. This will allow us to help you resolve the problem before any charges are made.

What if I need to drop a course?
We want you to be satisfied with your OLLI activities. If you find that a course or study group does not meet your needs or your schedule, we will be glad to cancel your registration and either register your for another available option or issue a refund of the fees, based on the policies outlined below. Please note that separate guidelines apply to courses and study groups.

While we are glad to drop you from a course or study group in accordance with our policies, please do not intentionally over-subscribe to activities with the expectation that you will drop some of them eventually. And, if you know that you will miss a majority of the meeting times, please don’t register for that course or study group. Both of these practices take available slots that might be filled by other people with a strong interest in the activity. OLLI is a community, and we thank you for observing this courtesy to your fellow OLLI members. OLLI staff reserves the right to limit the number of changes or refunds that may be processed for a single member during the membership year.
COURSE Refund Policy:

To receive a refund, you must contact the OLLI office and formally withdraw from a course no later than 5:00 p.m. on Friday of the first week in which the course meets. After the first week, a student may withdraw from a course, but no refund will be given.

STUDY GROUP Refund Policy:

To drop a study group and receive a refund, you must contact the OLLI office and formally withdraw from a study group no later than 5:00 p.m. six business days before the first meeting of the study group. This is to ensure that members who are on waiting lists (who would be invited to fill a vacancy created if someone drops a study group) will have a chance to buy the book if applicable and prepare to participate in the group. Members who wish to be removed from the roster after that point may drop the study group, but no refund will be given.
