

Electric Vehicle Rebates in Illinois.

Electric Vehicle Rebate from Illinois

Beginning July 1, 2022, and continuing as long as funds are available, an Illinois resident that purchases an all-electric passenger vehicle in Illinois will be able to apply for a rebate, in the amounts set forth below. A rebate amount cannot exceed the purchase price of the vehicle. The purchaser must retain ownership of the vehicle for a minimum of 12 consecutive months immediately after the vehicle purchase date. Only one rebate will be issued to a purchaser in any 10-year period.

Beginning July 1, 2022, a \$4,000 rebate for the purchase of an electric vehicle.

Beginning July 1, 2026, a \$2,000 rebate for the purchase of an electric vehicle.

Beginning July 1, 2028, a \$1,000 rebate for the purchase of an electric vehicle.

Purchasers must apply for the rebate within 90-days after the vehicle purchase date.

(this does include used vehicles) (no vehicle can receive rebate twice) (first link is general info : second link is FAQ : 3rd link is the application)

First link is general info

<https://www2.illinois.gov/epa/topics/ceja/Pages/default.aspx>

Second link is general info and I think has been updated and I think will include application links but only if and when they are available.

<https://www2.illinois.gov/epa/topics/ceja/Pages/Electric-Vehicle-Rebates.aspx>

third link is general info (with presumed updates – not as useful for this topic. But go ahead – look around.
